## Directives

- Découpez les lignes pointillées.
- Placez-les cartes face cachée sur une table.
- Mélangez bien et alignez-les sur la table.
- Chacun votre tour, retournez deux cartes. Essayez de trouver une paire identique.
  - Si vous réussissez, gardez la paire de cartes de votre côté de la table jusqu'à la fin du jeu.
  - Si vous ne réussissez pas, retournez les deux cartes. C'est au tour du prochain joueur.
- Lorsque toutes les cartes ont été retournées et mises en paires, comptez vos paires.
